

## Color Coding Uniforms of Bankerohan Public Market Vendors

It was a big day for vendors of Bankerohan Public Market when they formally launched their wearing of uniforms with Personnel Protection Equipment (PPE) last December 16, 2016. This development was the result of the Meat & Fish Handling Seminars conducted by the City Veterinarian's Office annually. The expenses of their uniforms were coming from their own pockets. It is their response to the challenge given by the City Veterinarian's Office to them. The following are their color uniform schedules:

### ***Fish Vendors Color Uniform Schedules***

Monday/Tuesday/Friday - Blue  
Tuesday/Saturday - Yellow  
Thursday/Sunday - Red

### ***Meat Vendors Color Uniform Schedules***

Monday/Tuesday/Friday - Red  
Tuesday/Saturday - White  
Thursday/Sunday - Green

The dressed chicken and variety vendors followed the schedules of meat vendors. The uniforms were printed with "Bankerohan Public Market including the section (Meat/Fish/Dressed Chicken/Variety) and the stall number.
