

Guidelines in the Submission of Brain Samples for Rabies Virus Test

- 1.) Only Research and Laboratory Division Personnel of the City Veterinarian's Office are allowed to receive samples for the rabies diagnostic test.
- 2.) Receiving of samples is from Mondays thru Fridays, 8:00 a.m.-4:00 p.m.. Proper packaging must be observed (placed in a clean container (18" x 12" x 12") with ice).

Note: Samples brought to the office after 9:00 a.m. will be examined on the next working day. No samples will be received at the office during Saturdays, Sundays and Holidays.

- 3.) A fee of P150.00/sample will be collected and to be paid at City Treasurer's Office, Davao City.
- 4.) Results will be released in the afternoon (3:30 p.m.) on the date of examination.
